Public Sale

(SALINE COUNTY,)

Consisting of 100 acres, splendid land, wall improved in every particular. Situate six miles contucant of Keytesville, convenient to school and churches. Orchard of 150 hearing apple trees, and 200 2 year-cold trees of selected fruit, also all kinds of small fruit. Abundance of living water and the conveniences neually on a first class farm. For particulars inquire of Col. L. P. Milit, T. C. Rainey, Sec. y.

WASHINGTON LETTER.

(From our regular correspondent.)

WASHINGTON, Sep., 7, 1885. will be in Washington before the 10th of September. This is earlier than

partment yesterday. The commit- the most bountiful and valuable in tees that are examing things here the history of the state. The cotton will recommend many dismissals crop now maturing, is far in excess There is a great deal of dead timber of any former yield—fully twenty that will be cleaned out. The notion ver cent above 1884, when she turnof this administration is that things ed out 1,500,000 bales. Indeed a should be run in a simple and eco- number of the papers throughout the nomical way, and that no more people should be employed than are cient number of pickers cannot be necessary to do the work.

An officer of the United States Senate is in town at present, probably because it is pay day or something of that sort, is of the opinion that when congress meets in December there will be such a shaking up of the pay. rolls and such retrenchment generally that the attaches of that luxurious bed will be greatly surprised. More than this, many of them will be compelled to walk. During the closing hours of the last congress the usual flood of resolutions author-uzing the appointment of all sorts of The emigration to her fields an cities the usual flood of resolutions authorcommittees for junketing trips during the summer, with an unlimited right to draw on the fund, were introduced. Some of them, whose pro- troubles that afflicted her sister moters were sharp enough to get states and profited by the exemption. before many days the pressure was so great that the whole thing was turned and her principal trade centers deinto a farce. The debate which sprang up over the various resolutions of the dignified senators who were mak- In addition to her wheat, corn, oats, tege on the pay-rolls for the summer with nothing to do was Indicrous at first, but before it was over it became a disgrace to the United States Senate. Some of the coller headed senators, whose clerks had already Gadsden, Tennesse, where six to been provided for, were smart enough to see it. They called a cau- ed daily during the berry season. cus and after two or three angry Her immense shipments of small meetings smothered all the resolutions. They went even further, and appointed a committee whose duty she met in the markets. Arkansas it should be to hold meetings during for the past year or two has been the summer and go over the whole ground in relation to sinecures about the chamber with the view to making a full report in the fall, which would bring about a great many re- the Northern as well as Southern marks and much retrenchment all round. This committee has been hard at work all summer and its report food crops were also cultivated, and will be made the hasts of a little retrenchment and reform side show in imitation of that which the administration is carrying on upon such a large and thorough scale. It will also furnish Republican senators an opportunity to worship that species of reform most eloquently with their lips, to put themselves on record. and to roar through the "congressional record" that they are the first,

tion and infringement. In political circles here the Democrats, are highly pleased at the course of the Republicans of Ohio and Iowa in falling back on "the bloody shirt" for a political issue. The Democrats do not believe that the masses in the North can be stirred again by sectonal appeats. An Ohio Democrat said to-day: "If the Ohio canvass is fought out in accordance with Senator Sherman's keynote it will disgust many members of that party will be restored to health, and if satso that they will stay away fr m the polls. Sectionalism was buried in Gen. Grant's grave. Why, at the reent grand army re-union ex-coudederates were present by special invitation. The people of Ohio consider the war over, and if the Reder on of the Republican leaders of er. Ohio and Iowa.
